REGION 4
ATLANTA FEDERAL CENTER
61 FORSYTH STREET
ATLANTA, GEORGIA 30303-8960

APR 03 2018

Mr. Rodney Huerter Veolia North America 4760 World Houston Parkway Houston, Texas 77032

RE: Freedom of Information Request No. EPA-R4-2018-005894

Dear Mr. Huerter:

This letter is in response to your Freedom of Information Act (FOIA) request dated March 28, 2018, regarding Asheville Dyeing and Finishing Site, also known as, Winston Mills, Incorporated in Swannanoa, North Carolina.

Enclosed is the current Resource Conservation and Recovery Act (RCRA) Site Detail Report maintained by the EPA, Region 4. The cost for providing this information has been waived as <u>de minimis</u>.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the National Freedom of Information Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20001. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 pm EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal." Additionally, you may seek assistance from EPA's FOIA Public Liaison at hq.foia@epa.gov or (202) 566-1667, or from the Office of Government Information Services (OGIS). You may contact OGIS in any of the following ways: by mail, Office of Government Information Services, National Archives and Records Administration, Room 2510, 8610 Adelphi Road, College Park, MD 20740-6001; email, ogis@nara.gov; telephone, (301) 837-1996 or (877) 684-6448; or fax, (301) 837-0348.

Should you have questions regarding this response, please contact Jennifer Pearce, Government Information Specialist, at (404) 562-8600.

Sincerely

Kenneth R. Lapierre

Assistant Regional Administrator

RCRA Site Detail

Report run on: March 28, 2018 - 12:00 PM

Version 6.0

Handler ID: NCD070619663

History: All records

BR Cycles: Show all-

Include Notes: Yes

Report Description

This report provides "all available details" from the Handler module and summarized information from the Waste Activity Monitoring module for the specified RCRA site. Details reported include basic site identification information; handler universe information; source record information including location and mailing address, contact person and address, NAICs, and regulated waste activities. For Biennial Report source records on or after the 2001 BR cycle, additional information reported includes quantity totals (generated, managed, shipped, received), and the top ten GM forms by quantity generated.

Information reported for the RCRA site may be limited by latest historical information and most recent Biennial Report cycle. The data is sorted by the most recent Received Date.

Note: Some data is suppressed if it is null or blank. See the Reports Library documentation in RCRAInfo Help for additional details.

Last Updated: February 2018
